

Global Conference on Environmental Science and Technology

November 04-06, 2024 | London, UK

Support the event and take advantage of getting connected with your target audience!

The **GEST-2024**, organized by Unites Scientific Group (USG), a non-profit organization, aims to bring together experts around the world to discuss and share research progress in the interdisciplinary fields of Environmental Science, inspiring further discussions on pressing environmental challenges.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
